SECTION 3. Every municipal electric utility is hereby authorized to exercise any power or authority that may be exercised under any law by any other Tennessee municipal electric utility.

SECTION 4. Every municipal electric utility and every electric cooperative is hereby:

(a) Permitted to enter into interlocal cooperation agreements under the authority of Tennessee Code Annotated, Title 12, Chapter 9, as well as the authority of this act; and

(b) Permitted to use surplus revenues in connection with the exercise of any power or authority it may exercise under any law, provided the exercise of that power or authority is not a violation of the terms and conditions of a wholesale power contract between the Tennessee Valley Authority and the respective municipal electric utility or electric cooperative and is not a violation of or otherwise prohibited by the terms and conditions of any covenants in any outstanding revenue bonds of the municipal electric utility or loan covenant of the electric cooperative, as may be applicable. For the purpose of entering into agreements authorized under this chapter or entering into an interlocal agreement under Tennessee Code Annotated, Title 12, Chapter 9, municipal utilities and electric cooperatives are authorized to enter into interlocal agreements, as if each electric cooperative were a "public agency" for the purposes of Tennessee Code Annotated, Title 12, Chapter 9.

The general assembly hereby finds and determines that participating in such interlocal agreements by electric cooperatives and municipal utilities provides a mutual benefit to help reduce the expense of operations of municipal utilities and electric cooperatives and hence reduce the cost of electricity for the citizens of Tennessee, and hereby finds that all
